## INDEPENDENT AUDITOR'S REPORT

To the Superintendent and Board Members Hamilton County School District Jasper, Florida

#### Opinion

I have audited the accompanying financial statements of the Fiduciary (Internal) Fund of the Hamilton County School District, as of and for the year ended June 30, 2023, and the related notes to the financial statements, as listed in the table of contents.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Fiduciary (Internal) Fund of the Hamilton County School District, as of and for the year ended June 30, 2023, and the changes in net position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the Unites States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Fiduciary (Internal) Fund of the Hamilton County School District, and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### **Emphasis of Matter**

As discussed in Note A, the financial statements are intended to present only the Fiduciary (Internal) Fund's net position and changes in net position. The financial statements do not purport to, and do not present fairly the financial position of the Hamilton County School District, as of June 30, 2023, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. My opinion is not modified with respect to this matter.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hamilton County School District's Fiduciary (Internal) Fund's ability to continue as a going concern for twelve months beyond the

financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hamilton County School District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hamilton County School District's Fiduciary (Internal) Fund's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

#### **Supplementary Information**

My audit was conducted for the purpose of forming an opinion on the Fiduciary (Internal) Fund of the Hamilton County School District. The combining and individual fiduciary fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fiduciary fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the fiduciary fund financial statements. Such information has been subjected to the auditing procedures applied in the audit of the fiduciary financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the fiduciary fund financial statements or to the fiduciary financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the combining and individual fiduciary fund financial statements are fairly stated, in all material respects, in relation to the fiduciary fund financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated December 3, 2023, on my consideration of the Hamilton County School District's Fiduciary (Internal) Fund's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the cope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Hamilton County School District's Fiduciary (Internal) Fund's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Hamilton County School District's Fiduciary (Internal) Fund's Fiduciary (Internal) Fund's internal control over financial reporting or on compliance.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Superintendent and Board Members Hamilton County School District Jasper, Florida

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standard* issued by the Comptroller General of the United States, the financial statements of the Fiduciary (Internal) Fund of the Hamilton County School District as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Fiduciary (Internal) Fund financial statements of the Hamilton County School District, and have issued my report thereon dated December 3, 2023.

#### **Report on Internal Control Over Financial Reporting**

In planning and performing my audit of the financial statements, I considered the Hamilton County School District's Fiduciary (Internal) Funds' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Hamilton County School District's internal control over its Fiduciary (Internal) Fund. Accordingly, I do not express an opinion on the effectiveness of Hamilton County School District's Fiduciary (Internal) Fund's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Hamilton County School District's fiduciary fund financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### MANAGEMENT LETTER

To the Superintendent and Board Members Hamilton County School District Jasper, Florida

#### **Report on the Financial Statements**

I have audited the financial statements of the Hamilton County School District's Fiduciary (Internal) Funds as of and for the year ended June 30, 2023, and have issued my report thereon dated December 3, 2023.

#### Auditor's Responsibility

I conducted my audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Other Reporting Requirements**

I have issued my Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, which is dated December 3, 2023, should be considered in conjunction with this management letter.

#### **Other Matters**

In addition, for matters that have an effect on the financial statements considering both quantitative and qualitative factors, the following may be reported based on professional judgment: 1.) violations of School Board or Department of Education Policies 2.) deficiencies in internal control

In connection with my audit, I am reporting the following matters:

#### **Prior Year Findings:**

#### 2022-001 Payment of Invoices (Second Year)

**Criteria:** Per *Florida Statutes* 218.74(2), "the payment due date for local governmental entity for the purchase of goods or services other than construction services is 45 days after the date specified in s. 218.73." (Generally, the date the invoice is received.)

**Condition:** From my review of accounts payable and subsequent payment dates, I again noted the payment of six invoices ranging in amounts from \$128 to \$9,863 paid from 28 to 111 days after the allowable period above. See below:

					Total Days	Net Days
Invoice Date	Amount	Vendor	Date paid	Activity	Until Payment	Late
04/19/23	\$ 1,651.88	Riddell	8/7/2023	Athletics	110	65
05/01/23	128.00	NFL Sports Connection	8/14/2023	Athletics	105	60
05/01/23	2,297.91	Cheer Outfitters	8/10/2023	Cheerleaders JV	101	56
05/12/23	545.83	Jostens	7/24/2023	Athletics	73	28

05/30/23	3,819.18	Riddell	10/16/2023	Football	139	94

**Cause:** Failure to timely remit invoices to the school secretary for payment (Athletic related activities).

Effect: Failure to comply with *Florida Statutes*.

**Recommendation:** Remit invoices to the school secretary for payment in a timely manner.

#### **Current Year Findings:**

#### 2023-001 Student Awards

**Criteria:** Per District protocol, any awards to students via cash or gift cards are supported by a signed acknowledgement from the student that the cash or card were received.

Condition: From my review of disbursements, I noted the following:

#### Annual – Year Book

Twenty students were provided \$25 gift cards.

#### **Business Department**

Five students were provided \$50 gift cards.

In both instances, a list of the students receiving the gift cards accompanied the disbursement but the students' signature was not included.

Cause: Failure to follow District protocol.

Effect: Potential of individuals other than the intended to receive the gift cards.

**Recommendation:** For all awards of gift cards, the student/individual receiving the gift card should sign for its receipt. The signature sheet should be retained as support for the disbursement.

This Management Letter is intended solely for the information and use of the Hamilton School District's management and School Officials, and is not intended to be and should not be used by anyone other than these specified parties. However, pursuant to Chapter 119, *Florida Statutes*, this management letter is a public record, and its distribution is not limited.
