

Mr. Joel's Art Class- Online resources for making art from home.

Hello Students & Parents!

I've been missing you all greatly throughout this crazy event! Our days spent creating in the art room seem so far away, yet it's only been over two weeks! I know your classroom teachers have been working hard at maintaining your progression in math, reading and other areas. I wanted to give you access to some different art projects, challenges, prompts, videos and readings to give your mind a space to relax and maybe use the current events, feelings and ideas that are forming to keep creating. So! On this page you will find many links to virtual tours of museums, art challenges & prompts for making art, book readings with art related projects, some how to videos and I will be posting videos and updates about the art that I will be creating while we are at home. I've been working on organizing a few projects such as ceramics (clay pottery), Painting (mostly related to organic colors and shapes with oil paints and maybe some sculptures! Please keep in touch and check in on this page to see what's new each week. If you have any questions or would like to send in any artwork you've been working on, please send it to joel.dion@hamiltonfl.com and I will respond and post the work as soon as possible. If there are any projects you would like to see or learn about- let me know!

I hope you all are enjoying time with your family and being safe!

Yours Truly,

Mr. Joel "Crunchy Peanut Butter" Dion
