

**Career and Technical Education
Tallahassee Community College & Hamilton County School Board
Career Pathways Articulation Agreement
2018-2019**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Graduation from secondary school no more than 18 months prior to enrollment at Tallahassee Community College.
 - a. Students may be subject to taking the College's placement test.
3. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification. Completion of 9 credit hours in the A.S. or certificate program is required in order for the career pathway credit to be applied to the college transcript.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Hamilton County High School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Hamilton County High School and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Hamilton County High School and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Hamilton County High School or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Vice President for Academic Affairs of Tallahassee Community College, Dean of Business, Industry and Technology for Tallahassee Community College, District Representative for Hamilton County Schools, the TCC Career Pathways Specialist and others as so designated.
